Rewarding your loyalty

Many of our customers enjoy our holidays so much that they travel again and again throughout the year, with some as many as 4 or 5. We like to reward our customers loyalty through our ever popular 'Loyalty Bonus Scheme'. To be eligible for the scheme all you have to do is travel for 2 days or more on your 1st holiday then 5 days or more on your 2nd and subsequent holidays.

The scheme runs from January to December annually. Remember if you cancel any holidays under this scheme your bonus will be recalculated.

Please note loyalty bonuses are only applicable to Summer Brochure and Winter Brochure Tours booked direct with Edwards Coach Holidays and do not apply to group, late deal & special offer bookings. To receive your discount you must advise us that you are eligible at the time of booking.
