Floriade New Tour

From April to October 2012, Holland will once again play host to Floriade, a magnificent World Horticultural Expo staged once every ten years in the Netherlands. Attracting visitors from all over the world the show is destined to be a hugely popular event not to be missed. You can enjoy the world's most exquisite and exceptional flowers, plants, trees, fruits and vegetables as well as countless innovative attractions and latest trends.

More than 100 exhibitors will together pay tribute to horticulture. The park comprises five unique worlds: themed zones connected by wooded areas. Each day features a cultural programme of music, dance, literature, theatre and visual art from all over the world. Sustainable, pioneering architectural eye catchers, as never seen before, will be shown for the first time at Floriade 2012. You can also walk along a thematic route together with a guide or enjoy a bird's eye view of the park from the 30-metre-high cable-car system.

The Floriade is a global spectacle in which many dozens of countries participate. You will find yourself immersed in a melting pot of cultures where you will be introduced to different customs and rituals. And of course there will also be plenty of attention for the regional culture of the province of Limburg. Enjoy typical gastronomic delights in our attractive restaurants! Here we will be serving regional dishes and refreshments, and all the meals will be prepared using seasonal products.
