Lake Maggiore

The timeless attractions of Lake Maggiore are well known to generations of visitors. Backed by the distant snow capped Alps the mesmerising scenery virtually compels visitors to lounge at the many lakeside cafes, admire the elegant villas and wander through the many lush tropical gardens

ITINERARY

Day 1 Travel to Dover / Folkestone for the short sea ferry / shuttle crossing to Calais before continuing to our overnight half board accommodation.

Day 2 Enjoy the scenery as we complete the journey to Italy arriving in Stresa to be greeted with a welcome drink before dinner.

Day 3 At leisure, time to relax and explore your new surroundings. A must visit is a boat trip to the Borromean Islands, in particular Isola Bella, with its magnificent Baroque palace and terraced gardens.

Day 4 We travel via Ascona to the fashionable Swiss resort of Lugano, set on its own lake, partly in Italy and partly in Switzerland. With its compact piazzas and extensive tree-lined promenades, Lugano is the most alluring of Ticino's lake resorts. The centre of town is the Piazza della Riforma, a huge café lined square near the lake.

Day 5 Today we travel to Lake Como. At the heart of Como's

walled Old Town, the Piazza San Fedele has many 400-year old buildings and the basilica, one of the masterpieces of the masters of Como. At the top of Via Contu, you will see the old wall's most spectacular standing tower, the Porta Vittoria with the very austere church of San Abbondio next door. Climb the hill behind it and go to the top of Barodello Tower for a lovely view of the entire lake.

Day 6 Today we enjoy a leisurely excursion to Lake Orta, one of the smallest of northern Italy's Alpine lakes. We travel via Omega to the charming car free lakeside village of Orta San Giulio. The picturesque lakeside central square, with its frescoed 16th century town hall, overlooks the island of San Giulio.

Day 7 Sadly we leave Stresa and travel to our overnight half board accommodation.

Day 8 We travel to Calais for the short sea ferry / shuttle crossing and complete the journey home.
