Lake Garda

Lake Garda is the most popular of the Italian lakes and famed for its mild climate and beauty. One of its attractions is the great diversity between the vineyards that fringe the south-eastern shores to the majestic mountains that plunge dramatically into the crystalline waters to the north. The landscape has the feel of the Mediterranean, with palms and citrus trees among olive groves and vines. Of our featured resort, Bardolino offers a traffic-free centre where you will find numerous bars, restaurants and shops.
