Switzerland The Glacier Express

The Appenzel is the most typically Swiss of all cantons with its age old traditions and authentic customs. Here you will find mirror-like lakes and dizzying rocks, crystal clear springs and serene valleys full of picturesque villages and friendly people. Included in our tour is one of the most popular train journeys in Switzerland, the Glacier Express, guaranteed to leave anyone awestruck as it travels through the natural unspoilt scenery of the alpine peaks and meadows.

ITINERARY

- Day 1** Travel to Dover / Folkestone for the short sea ferry / shuttle crossing to Calais and continue to our overnight's half board accommodation.
- Day 2** Continue to Walzenhausen arriving with time to relax before dinner. Walzenhausen is the eastern most village in the Appenzel Canton and offers a fine panorama of Lake Constance 300 metres below.
- Day 3** A relaxing first day as we enjoy a local Rorschach roundtrip down to the shores of Lake Constance. We begin our journey by small mountain train to Rheineck where we have a short stop before we board our ship and sail from Rheineck to Rorschach. Enjoy some free time before we take the small mountain train to the village of Heiden where we board a local service bus for a short journey back to the hotel.
- Day 4** Today we have a panoramic trip through the heart of Switzerland on the Glacier Express, one of the great train journeys of the world. We travel by coach to *Chur where we board the train for a spectacular journey over the 2033 mtr Oberalp Pass to the village of Andermatt. We return by coach to our hotel. (*This tour can also be run in reverse from Andermatt to Chur, depending on availability. Our ticket is based on the shortest bookable leg of the Glacier Express which is from Thusis to Andermatt or vice versa, there is very little to do in Thusis so we use Chur as our stop)
- Day 5** Today we drive to the city of St. Gallen where we have a few hours free time to explore the city centre with its famous monastery before we leave by train towards Appenzel. We re-join the coach and travel to Schwägalp where we take the cable car up to Mount Säntis (weather permitting), the highest mountain of eastern Switzerland. You can purchase a snack and a coffee overlooking 5 countries from the balcony. We return to the hotel calling in at the cheese dairy with the opportunity for a tasting.

- Day 6** A full day excursion to Zurich where in the Old Town, you will find the narrow alleys peaceful and leisurely while on the shores of the Lake, you can sit and admire the Alps or stroll through the parks and watch the yachts on the water.
- Day 7** We depart the hotel and travel to our overnight's half board accommodation.
- Day 8** Continue to Calais and the short sea shuttle / ferry crossing and complete the journey home.
