Green Spain

'Green Spain' is a region rich in history with unique landscapes and unrivalled beauty. Contrast the startling coastline to the north with its cliffs, beaches, tiny ports and major cities to the southern mountain range with its snow-capped peaks, picturesque villages nestling in lush green hidden valleys.

ITINERARY

Day 1 We travel to Portsmouth boarding the sailing with Brittany Ferries to Santander. On board you can enjoy award winning service and top-class facilities including gourmet restaurants, stylish lounges and comfortable cabins. You'll arrive completely relaxed, and ready to begin your holiday in Spain (meals not included).

Day 2 We disembark late afternoon and drive to the Milagros Golf hotel arriving with time to relax and enjoy a welcome drink before dinner.

Day 3 At leisure in resort, relax and explore your new surroundings.

Day 4 Today we have a leisurely excursion to Santillana del Mar, a perfectly preserved medieval village. To meander through its cobbled streets and alleys, lined with ancient stone houses, has often been likened to entering a living museum and where visitors can easily become immersed in the atmosphere of a bygone era. The nearby Altamira Caves are famous for their prehistoric paintings of boars, bison, deer and horses dating back to the end of the Ice Age. We include a visit to the museum where they have re-created an exact copy of the originals using the very same basic materials and rock structures.

Day 5 A half day excursion to the gorgeous fishing village of San Vicente de La Barquera, set in the middle of a nature reserve and Comillas, a noble and aristocratic town built on rolling hills that shelter a beach and secluded harbour.

Day 6 We depart for a full day excursion into the Picos de Europa national park with its spectacular jagged mountain peaks, traditional villages, lush vegetation and gorges that plunge into deep river valleys. We stop in the market town of Potes, with its many bridges, narrow little streets and rambling houses before continuing to Fuente Dé and the opportunity to take the amazing cable car that takes you 900m up sheer rock cliffs to the top of the central massif of the Picos de Europa where you can enjoy breathtaking views from the summit. (Cable car cost not included).

Day 7 We depart the hotel after a leisurely breakfast and travel to Santander where we visit its opulent suburb, the beach resort of El Sardinero. Its elegant cafes, colourful gardens and majestic white Grand Casino are overlooked by the Magdalena Palace and the huge gardens that surround it. We then travel to the port for the return ferry crossing.

Day 8 We arrive in Portsmouth, disembark and complete the journey home.
