New Tour

Door to Door

Venice, gateway to the Orient, is one of the few cities in the world that can be truly described as unique. Its rich history is evident in every square, from the exotic St. Mark's Basilica to the imposing Doge's Palace. Explore the intricate labyrinth of canals and bridges, elegant piazzas and abundance of beautiful churches. The main shopping is in the Mercerie, which links the two focal points of the city, the Rialto Bridge and St Mark's Square. Here the Doges' Palace, St Mark's Basilica and the Campanile Bell Tower never fail to impress. Take the opportunity to view the city at leisure from the comfort of your ship moored near St Mark's Square
