

# Turkey & Tinsel and Winter Warmers

All our tours include executive coach travel, dinner, bed and full breakfast with hotels festively decorated and providing a minimum of two night's entertainment with most offering entertainment every night. The brief itinerary description is correct at the time of going to press but could be liable to small changes depending on hotels individual programme. Please note: Some of our tours will arrive back in South Wales at midday. This is due to the possibility of inclement weather and a safety issue concerning the darker winter evenings. Obviously this will not apply to the longer journeys. Details will be provided on your itinerary and travel ticket.
