

4 Easy ways to join your Holiday

1. Door to Door Pick Ups

For a number of selected European tours we are continuing to use our popular Door to Door pick up system based on your postcode, which gives a clearer indication of your home pick up charges.

Clients with a CF postcode will be offered a free home pick up.

Certain NP & SA postcodes will also entitle you to be picked up free of charge, whilst others will carry a charge per person.

The table opposite gives you a guide to our pick up charge areas and are subject to location within that postcode. Any postcodes not listed, please ring for availability and cost. We are still pleased to be offering selected free pick up points that are not home based.
