

Simply the best way to get away!

Dear Friends,

I would like to extend a very warm welcome to all our new and regular travellers with Edwards Coach Holidays. This year's summer brochure has a wonderful selection of UK, European and Worldwide holidays to choose from. As I have said in previous years our brochure really is a one stop shop for all your travel needs.

In this years brochure we have looked to further improve the quality and value for money holidays on offer, by meticulous hotel choices we make and careful planning of our included excursions.

Whether you are looking for that weekend break in London with its endless choice of top theatre performances, exploring some of the wonderful sights and hospitality we have within the UK, or even sitting back, relaxing and enjoying some breath taking scenery further a field in one of our many European destinations. Whatever your pleasure you can rest assured you will be looked after from start to finish by an Edwards representative and travel in probably the most modern fleet of coaches within Wales. Sit back and enjoy the ride, it's our pleasure.

2011 has been a very busy year here at Edwards Coaches with many new additions joining the business, the most prominent being the acquisition of 'Diamond Holidays' and 'Brian Isaac Holidays'. Through the acquisition we have extended our executive coach fleet and also started trading through our new 'Diamond' depot located at the old Diamond Holidays depot on Swansea Enterprise Park, retaining 16 members of staff in the process.

Whether this is your first time holidaying with us or whether you have travelled with us before I would like to extend our thanks for your continued support and loyalty.

Best wishes and many thanks,

Jason Edwards (Commercial Director)
