OUR INCLUDED EXCURSIONS

Brighton via Lewes. Brighton has everything you could want elegant Regency architecture, museums, laid-back beach life and superb shopping. The Royal Pavilion, home of King George IV, is probably the most exotic, extravagant Royal Palace in Europe. Stroll along the Victorian Pier and the beachfront, where stylish bars and cafés spill out onto the curved paving. For shopping, try The Lanes, smart and chic, and the bohemian North Lane, both good for antiques and designer clothes. **4, 5, 6 & 8 day tour**

A full day excursion to Rye and Hastings. The ancient and picturesque town of Rye was originally one of the most important channel ports, of which Strand Key, with its brick and timbered warehouses, is the only reminder. Amongst the array of places to visit is the cobbled Mermaid Street which still retains many of its 15th-16th century buildings. Hastings is famous as the site of the famous battle of 1066, although it actually took place in Battle. Britain's steepest funicular railway and the remains of William the Conqueror's first English castle mean that Hastings is well known throughout the world as one of the South Coast's most historic towns. The winding twittens of its Old Town and its three miles of unspoilt beaches were key locations in the TV drama series 'Foyle's War'. **5, 6 & 8 day tour**

An excursion to Royal Tunbridge Wells travelling through the pretty villages of East Sussex. Aided by Royal patronage Tunbridge became a popular spa in the 17th and 18th centuries. "The Pantiles" is an elegant shopping area originally laid out in the 17th century. **6 & 8 day tour**

A half day excursion via the Beachy Head coastal route to the charming village of Alfriston, nestling within the South Downs and around the River Cuckmere. The 14th Century timber framed Clergy House near Alfriston's church is also worthy of note, it was the first building to be acquired by the National Trust, back in 1896 for the sum of £10 in a ruinous state before further restoration in 1977. **8 day tour**
