## Antique Fairs Lille *Braderie France with party night*

On the first weekend every September a million visitors throng the streets of Lille. It's an enormous boot fair! Anyone can set up a stall - they line 100km of pavements throughout old Lille, selling paintings, antiques, ornaments, furniture and junk of every description. Part of the celebrations is eating moules-frites - mussels and chips. Traditionally, after eating you leave your empty shells outside the stall and they compete to see which amasses the biggest pile by the end of the fair.
