## A Lancashire Hot Pot

You'll be inspired by the beauty and variety in Lancashire. Whether you're a first time visitor or a regular traveller, you can always find something different and exciting to inspire another visit here. We have tried to give you a taste and history of the region including a canal cruise, a train journey, museum visits and of course it's favourite dish.

### ITINERARY

**Day 1** Depart South Wales travelling to the Mercure Last Drop hotel to be greeted with a welcome tea, coffee on arrival after which you can relax before dinner.

**Day 2** This morning we travel to Oswaldtwistle Mills Shopping Village, a popular tourist attraction in Accrington, Lancashire, England. This unique shopping complex is designed to appeal to all tastes and ages, with something to amaze, charm and intrigue every visitor. We include a guided 'Tales from Pendle Witch Country' coach tour. We journey into the foothills of Pendle Hill, the dominant feature of East Lancashire, admire the magnificent scenery, wave to the Witches shop and listen to fascinating tales and anecdotes.

**Day 3** After breakfast we travel to Leyland and visit The British Commercial Vehicle Museum. Lancashire has for the past twenty years been dedicated to preserving the history of the road transport industry in the United Kingdom. Its exhibits and archives contain not just examples of the vehicles themselves, but evidence of their interaction with a century of daily life. This is one of Britain's most important heritage collections - a unique display of historic commercial vehicles and buses spanning a Century of truck and bus building. Visitors can view an imaginative display of vehicles, which use sound and lighting special effects to give a virtual reality tour for all the exhibits, creating a spectacular and fascinating exhibition. We continue to the seaside resort of Southport before returning to the hotel.

**Day 4** After a leisurely breakfast we travel to the canal wharf at Foulridge, where we board the 'Marton Emperor', for our 1 1/2 hour cruise on the Leeds and Liverpool canal with included tea, coffee, a warm scone with jam, butter and cream. We then travel to Rawenstal for our included journey on the East Lancashire railway to Heywood. The line is over 12 miles long and the journey takes approximately one hour.

**Day 5** Return to South Wales via Worcester and the Malvern Hills.
