Northumbria

A very popular tour, Northumbria is an area of magnificent scenery and is famous for its castles and broad golden beaches. Many stretches of the sweeping coastline are designated areas of natural beauty and are dotted with pretty fishing villages, such as Craster, famous for its Oak-smoked kippers and Bamburgh, famed for its rocky fortress. There are also traditional seaside towns such as Seahouses. Testimony to the region's turbulent past are the many magnificent castles such as Alnwick, Durham and Lindisfarne.

Alnwick Castle

ITINERARY

- Day 1** Morning departure travelling to Newcastle.
- Day 2** A full day guided tour travelling through the Cheviot Hills visiting the villages of Ford and Etal, before arriving at Holy Island, still often known by its more ancient name of Lindisfarne and internationally famous both for its medieval religious heritage and also its more recent picturesque 16th century castle. Island access is restricted by tidal conditions and will be at the discretion of the guide and driver. If access is not possible we will visit nearby Berwick on Tweed instead.
- Day 3** We begin with a coach tour of the city of Newcastle including the panorama of the quayside and the famous Gateshead Millennium Bridge. We then continue our guided

tour of the Northumberland coastline via the county town of Morpeth and on to the Northumberland coast and castles route via Amble, Warkworth, Almouth, Craster, Alnwick castle and garden.

Day 4 A full day tour where we travel back in time and enjoy a unique day out at the Beamish Museum. A vast living, working experience depicting life as it was in the late 1800's early 1900's. We then continue to Durham to visit the imposing Cathedral overlooking the river Wear.

Day 5 At leisure in Newcastle, time to relax and explore this fascinating city.

Day 6 Depart after breakfast and complete the journey home
