## ITINERARY

**Day 1** We depart South Wales travelling to the magnificent Blenheim Palace, a baroque masterpiece and birthplace of Sir Winston Churchill. The Palace is set in 2100 acres of spectacular parkland landscaped by Capability Brown and surrounding by sweeping lawns and formal gardens. We complete the journey to the hotel arriving with time to relax before dinner.

**Day 2** A full day visiting Winchester and Salisbury. Winchester, England's ancient capital is steeped in history and packed with historic buildings. From legend and lore to awe inspiring architecture Winchester is a treasure trove of English heritage. We continue to the magnificent medieval city of Salisbury with its historic streets and alleyways, charming half-timbered buildings, traditional English eating houses and character shopping streets, not to mention the UK's finest medieval cathedral. We return via Stonehenge, now designated a UNESCO World Heritage Site.
