York and Castle Howard

York is one of the most intriguing cities in England; no other English city can offer the beauty and sheer diversity. The superbly preserved walled city has witnessed more than 2000 years of vibrant history. York Minster is definitely the jewel in the historical crown of the city, the largest Gothic cathedral north of the Alps; the Minster was built on what was the headquarters of a Roman fortress. Tourists from all over the world come to visit The Shambles, one of the best-preserved medieval streets in Europe, the street was home to the butchers of York and takes its curious name from the 'shambles', the shelves where butchers used to display their meat. Today you are more likely to find craft shops, gift shops, restaurants, clothing and sweet shops.

ITINERARY

Day 1 Depart South Wales travelling to York.
Day 2 At leisure in York to relax and explore and enjoy this grand historic city.
Day 3 After breakfast we embark on a feast of a tour. First we visit Castle Howard; this majestic house is set amidst 1,000 acres of landscaped gardens, with sweeping lawns, lakes, trees and classical buildings, in itself one of the country's finest tourist attractions. We then travel to the quaint old fishing port of Whitby, standing at the mouth of the River Esk.

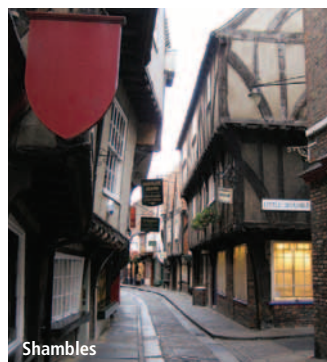

Day 4 A half day visit to the Eden Camp Modern History Theme Museum. Housed in an original Prisoner of War Camp, this award-winning museum will transport you back in time to wartime Britain. Experience the sights and sounds and even the smell of both the Home Front and Front Line in a series of expertly recreated scenes and tableaux. The Blitz, the Street at War (with rationing and fashions), the Home Guard, Evacuation, the Battle of Britain and VE & VJ Day are all covered in the first half of the museum, whilst world conflicts and battles are covered in the second.

Day 5 Return to South Wales.
