Entry fees not included unless otherwise stated

# Yorkshire Railways & Bronte Country

The unspoilt dramatic moors to old industrial valleys, rugged villages to the bustling towns, the dramatic moorland all combined to inspire the Bronte Sisters to pen novels which became classics of English literature. With scenery so beautiful you just want to sit and gaze at the bubbling streams, sprawling valleys and dales.

## ITINERARY

**Day 1** Depart South Wales in the morning travelling to the Hollins Hall hotel and Country Club.

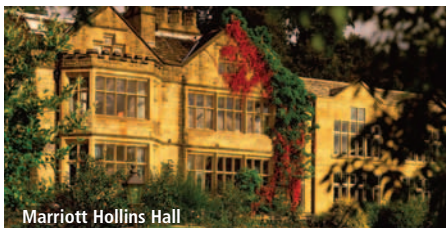

**Day 2** We travel to Keighley for a ride on the Keighley and Worth Valley railway, perhaps best known for the filming of the 'Railway Children'. We stop at Haworth to enjoy the fascinating Olde Worlde shops in the main street before a visit to the Bronte Parsonage, a museum to the Bronte family and their home between 1820 and 1861. We also include a visit to Oakworth Station where we board the return train to Keighley.

**Day 3** Depart after breakfast and travel via Skipton and the Yorkshire Dales National Park to Hawes, in the beautiful Wensleydale Valley. We spend some time in the pretty village before continuing to Appleby in Westmorland where we board

the train and enjoy the scenic scheduled diesel service to Settle through the magnificent Yorkshire Dales over the 24 arches of the Ribbleshead Viaduct.

**Day 4** Our tour today will take us to the famous city of York. Tourists from all over the world come to visit the Shambles, one of the best-preserved medieval streets in Europe where some of the buildings date back to 1350 and the timber framed buildings lean towards each other across the street. To continue with our railway theme we include a visit to the famous York railway museum.

**Day 5** After breakfast we depart our hotel and head south to Holmfirth, setting for the popular TV series, "Last of the Summer Wine". We then continue on our journey home to South Wales.
