FEED A FOODBANK FOR *Christmas*

This year more than before, the Christmas period will be really unbearable for many and with schools also breaking up for Christmas, many adults and children will go hungry over the festive period.

If you belong to a business, organisation, sports club, school, college, university by just following these simple steps will make all the difference to your local community and desperate families in need of that helping hand.

- 1 Email feedafoodbank@edwardscoaches.co.uk and register your organisations commitment to support to **Feed a Food Bank** campaign.
- 2 Your organisation will be listed in the roll call of honour of organisations that are committed to make a difference.
- 3 Talk with your local food bank (search the web) and ask what they need over the festive period.
- 4 Ask your staff/ members to commit to bring at least one item a week to work or the club you belong to.
- 5 Arrange delivery with your local food bank volunteers and make sure you take plenty of pictures to share on social media.
- 6 As High Sheriff of Mid Glamorgan I will be sending out 'Certificates of Excellence' for services to the community in the New Year to say thank you for making that difference.

Further details and ideas are listed on edwardscoaches.co.uk and 'Feed a Food Bank' tab

Just imagine if everyone signs up and commits what an incredible difference we will make to many. So please sign up today and also share via social media.

Best wishes and have a very safe and festive Christmas
Jason Edwards, MD Edwards Coaches and High Sheriff of Mid Glamorgan
